

Bio

**Don Presant**

Don Presant is Canada's leading expert on Open Badges, a frequent speaker at conferences in Canada and abroad and a skilled strategist for the development of assessment and recognition programs. Don is President of Learning Agents and CanCred.ca, a Canadian cloud service for Open Badges that serves markets in post-secondary and professional education and workforce development. He is working with eCampusOntario and several of its member institutions on a provincewide recognition model using

Open Badges and co-produced with them the cross-sectoral Ontario Open Badges Forum in November 2017. Don is currently consulting on two large scale international humanitarian skills recognition projects using Open Badges. He is a founding member of the international Open Recognition Alliance at [openrecognition.org](http://openrecognition.org) and co-author of the Bologna Open Recognition Declaration.
